

cacos

ComplexNumber::ArcCosine

```
graph LR; A[ComplexNumber::ArcCosine] --> B[cacos];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'cacos'. The box on the right is white with a black border and contains the text 'ComplexNumber::ArcCosine'. A dark blue arrow points from the right side of the white box to the left side of the gray box, indicating a relationship or mapping from the class method to the C standard library function.
