

lib/real/cosh.c

```
graph TD; A[lib/real/cosh.c] --> B[prim.h]; A --> C[math.h];
```

A diagram illustrating file dependencies. At the top is a gray rectangular box labeled 'lib/real/cosh.c'. Two blue arrows originate from the bottom center of this box. The left arrow points to a white rectangular box labeled 'prim.h'. The right arrow points to a white rectangular box labeled 'math.h'. All boxes have black borders.

prim.h

math.h
