

lib/real/atan.c

```
graph TD; A[lib/real/atan.c] --> B[prim.h]; A --> C[math.h];
```

A diagram illustrating a file dependency. At the top is a gray rectangular box labeled 'lib/real/atan.c'. Two blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The left box is labeled 'prim.h' and the right box is labeled 'math.h'. This indicates that the file 'lib/real/atan.c' includes or depends on both 'prim.h' and 'math.h'.

prim.h

math.h
